

CALL FOR PAPERS

Dear SASLAW Community,

The SASLAW 27th Annual National Conference will take place in KZN at Coastlands Umhlanga on 11 & 12 September 2024 and you are invited to forward your submission – CALL FOR PAPERS – 2024!

The overall theme for this year's Conference is **"Pursuit in the ideal of Justice"**. This year's theme is premised on the current context of our society and the world at large. We live in a time in which this ideal is ever more questioned to be seen. Whether our society at large, through our legal system, and with specific regard from a labour law context, is indeed achieving this ideal for a better purpose.

This year the conference will be a physical in-person conference with no option to present virtually as with previous years. To apply to participate as a speaker, kindly complete the google form on this link with all requested information and submit by the closing date: **01 April 2024**

Your application will be considered by the National Conference Portfolio Committee where you will be informed if you have been selected as a speaker. Good Luck!

Points to note:

The topic chosen should allow for interactive conversation, with practical workplace solutions and for the presenter to facilitate the discussion.

1. When considering which presentations will be selected, consideration will be given to the relevance and interest as well as whether this topic has been done before.
2. The SASLAW Conference committee may have to ask speakers to co-present if the topics are similar.
3. The accepted speakers who require accommodation, will be accommodated at an Umhlanga hotel for 1 night (depending on date of the presentation, either 10 or 11 September 2024) courtesy of SASLAW and registration to the event will be complimentary.
4. Kindly refer to the speaker terms and conditions for more information on transfers and expenses.
5. **Closing date for submissions is the 1 April 2024**, kindly email queries to - gauteng@saslaw.org.za

Yours sincerely
